In a recent letter, Mr. Matthew Baird indicated that you had been designated to speak at the Reserve Seminar on 8 August 1962 on "The Role of the Central Intelligence Agency."

We are extremely happy that you will be our speaker. If it is agreeable to you, we have scheduled you to speak from 1030 to 1120 on 8 August 1962.

A discussion outline is prepared for all seminarians which contains, among other things, a biographical sketch on each of our guest speakers. Would you mind forwarding a biography on yourself to us?

If you desire BOQ accommodations, we can make arrangements for you. Also, if you intend to fly, we can provide transportation to and from the airport. The nearest commercial airport is just outside of Providence.

Concerning our school, it is located in Buildings M-3 and M-6 on the U. S. Naval Base. You can reach us by telephone by dialing area code 401 and then 841-2065.

Sincerely yours,

*Wilfred Hearn*
